

THE REFORMATION

OBSERVING 500 YEARS

Week 2: What Happened After Luther?

Only eleven years after posting the 95 Theses, the weight of politics pulled on Luther and his colleagues. As everybody knows, politics frequently erupts into disputes about language, what words mean, and how they're applied. These theological disputes were so intense they actually caused wars for 30 years. Eventually, Lutherans realized compromises needed to be made in order to move on in day to day matters.
