

THE REFORMATION

OBSERVING 500 YEARS

Week 4: The Bible: Translating

For hundreds of years, people have marveled about how much Luther accomplished in his life. Of all of Luther's accomplishments, one of his most impressive was the fact that he translated the entire New Testament from its original Greek language into German in just eleven weeks. He recognized that his translation wasn't perfect. But, perfection was not his concern. His greatest concern was that the Bible would get into the hands of the common people.

To learn more about the purpose of the bible, watch the video at lutherhouseofstudy.org.
