

THE REFORMATION

OBSERVING 500 YEARS

Week 5:

The Bible: How Should You Use It?

Over the course of Christian history, there have been two primary ways people have used the Bible. These ways correspond with how they answer the question of 'what Jesus is good for.' Some people think Jesus' main contribution to the world is to provide advice - to help make the world a better place. Luther cautioned against this way of thinking. He didn't think Jesus' primary role was to give us an example.
